Act 51 Financial

[Go to ADARS Portal](#)

The Act 51 Distribution and Reporting System (ADARS) manages the monthly distribution and disbursement of Michigan Transportation Funds (MTF) to Counties and incorporated Cities/Villages as well as yearly distributions of snow payments, mileage transfers and engineering payments. ADARS also manages processes associated with the yearly Financial Reports that Counties and Cities/Villages must submit.

Asset Management Council

[Go to Asset Management Council Portal](#)

The Transportation Asset Management Council (TAMC) was established to expand the practice of asset management statewide to enhance the productivity of investing in Michigan's roads and bridges. Part of the TAMC's mission is to collect physical inventory and condition data on all roads and bridges in Michigan.

TAMC is a legislated body of representatives from agencies who own roads or are responsible for road funding that coordinate:

- ▶ The collection of the condition of federal-aid eligible roads and bridges
- ▶ The collection of asset investment data
- ▶ The reporting of the collected data and analysis to the Legislature and State Transportation Commission
