Permanent Pavement Markings - Material and Application Verification Guidelines

This construction advisory is to notify field staff of the new *Permanent Pavement Markings - Material and Application Verification Guidelines*.

These guidelines have been developed to clarify acceptable procedures for inspecting pavement markings. Guidelines are in effect as of the issue date of this construction advisory. The complete guideline can be found at:

http://mdotwas1.mdot.state.mi.us/public/tands/Details_Web/mdot_pm_material_verification_guideline.pdf

Permanent Pavement Markings - Material and Application Verification Guidelines explains documentation requirements, how to use Form 1585, contractor yard visits, and plate sampling. By following this guideline, pavement marking verification practices will be performed consistently statewide.

Region representatives for pavement markings are as follows and may be contacted with any questions:

Bay Region

Ponce Esparza – 810-658-4029 ext. 313

Grand Region

Adam Vandercook – 616-464-1806

Metro Region
