2012 Standard Specifications for Construction - Summary of Significant Changes

This construction advisory is to notify field staff that the video summary of significant changes made to the 2012 Standard Specifications for Construction can be found on the MDOT YouTube channel at the following link: <http://www.youtube.com/playlist?list=PLA6CAE95EA6736761>

A link to these video summaries has also been added to the MDOT public website on the "Maps & Publications" page.

Please share this information with local agencies and consultants within your jurisdiction, as well as Transportation Service Center staff.
