Traffic advisory: Automated toll lanes reopened at International Bridge

November 21, 2018 -- Automated lanes at the Sault Ste. Marie International Bridge toll plaza are now open.

To prevent confusion and customer congestion in the automated toll lanes, the prox card lanes were closed yesterday until a computer network issue could be resolved. The vendor has restored network services and all accounts have been updated.

The International Bridge Administration regrets any inconvenience and appreciates drivers' patience.

For more information on the International Bridge, please visit www.saultbridge.com or follow us on Twitter at www.twitter.com/saultbridge.
