*MDOT: Providing the highest quality integrated
transportation services for economic benefit
and improved quality of life.*

What Is Being Done?

The Michigan Department of Transportation (MDOT) is repaving on M-60 in Tekonsha from I-69 to Old 27, with minor drainage improvements.

When Will This Be Done?

Work is scheduled to begin in June and be complete in August.

How Will Traffic Be Affected?

Traffic will be under flag control with lane shifts.

Long-term Benefits

The new asphalt on M-60 will provide a smoother ride, increase safety and serve motorists for many years to come.

MDOT reminds motorists to drive like you want to make it home tonight.
