

**Design and Construction Services for two new T-hangar structures QA1
Requisition786 12/9/2011**

Q1: The RFQ specifies that the project includes "...boundary survey including Exhibit A update and fencing."

- a. Is this to include a boundary survey of the entire airport? Or, simply verify the westerly property line?

-No, this will not include a boundary survey of the entire airport. Portions of the west, south, and east property lines will be included in the boundary survey. Exact limits will be defined during the pre-design/final scoping meeting.

- b. Is the current Exhibit A available in electronic format?

-Yes, we will provide an electronic copy of the current Exhibit A to the selected consultant.

- c. Will the fencing be more of a standard chainlink, or the more aesthetic type that's been put along Joy Road?

-The fencing will be a standard, non-decorative, chain-link type.

Q2: Is an MDOT Form 5100G, Certification of Availability of Key Personnel, required?

-No, 5100G is no longer required with proposals. MDOT Forms 5100D and 5100J are the two forms required for this project.

Q3: Is MDOT Form 5100I, Conflict of Interest Statement, required?

-No, 5100I is an obsolete form; the conflict of interest statement has been added to the 5100 D. MDOT Forms 5100D and 5100J are the two forms required for this project.
