

As-Needed Project File review and Prevailing Wage Assistance -Bay Region
Requisition 2064 QA1
10/6/2016

- Q) Is there an estimated number of total hours for this requisition? If not, what would be the best way for me to arrive at a practical number for the Certification of Availability for Key Personnel?
- A) Estimated hours cannot be determined, therefore, prospective vendors will need to rely on past experience and internal evaluations to determine their own best estimate of the average number of hours required.
