

**Full Construction Engineering Services to upgrade existing lighting heads with LED lighting**

**Requisition # 2083**

**Q&A # 1**

**10/24/2016**

Question: Are there any design documents that can be reviewed while preparing the Proposal?

Answer: The final plans and proposal are still in progress. To clarify, the intent of the project is to replace existing lighting fixtures with new LED fixtures on ramps, shoulders, overpasses and median within the project limits on existing supports.
