

As-Needed Construction Staking Services-Jackson TSC Requisition # 519 QA 1 & 2  
2/7/2011

Q1. I am working on the RFP for "as needed" construction staking for Jackson and Hillsdale counties. Under the description of work the 1st paragraph applies to construction inspection and testing, is this to be included in the proposal?

**A1. No. The RFP has been revised to delete this paragraph. Due to this revision, the deadline has been extended to Wednesday, February 16, 2011.**

Q 2. Just to make sure that I am doing this right; the proposal will basically show the total fees that will be charged per hour on this project, and no total fee will be shown since the number of hours is not known, is that correct?

**A2. This is a qualification based selection; no dollar amount should be included at this point in the process. Please follow the directions on submitting responses to Requests For Proposals in the Consultant/Vendor Selection Guidelines, which can be found at [http://www.michigan.gov/mdot/0,1607,7-151-9625\\_21540---,00.html](http://www.michigan.gov/mdot/0,1607,7-151-9625_21540---,00.html).**
