

**FULL CONSTRUCTION ENGINEERING SERVICES FOR PERMANENT FREEWAY
TRAFFIC SIGNING PLANS - REQ #1286**

**QA1
7/25/2013**

Q1: Is the required construction start date going to be within ten (10) days of award, or will the construction start date be on or after April 15, 2014? If “within ten (10) days of award”, will the Contractor be allowed to work beyond the normal seasonal shut down date of November 15th?

A1: **The required construction start date will be within ten (10) days of award, or on the date on the approved Progress Schedule. And yes, work outside the normal construction season will be required.**
