

**As-Needed Value Engineering Services QA1**  
**REQ1771**  
**5/19/15**

**Question:** If a firm is supposed to be prequalified for services for an RFP, do they have to be prequalified before they can submit a response package? Or can their prequalification application be in review at the time the response package is submitted?

**Answer:** Firms need to be prequalified by the time of time the proposal due date.
