

Design Services for Freeway Reconstruction on I-69 from Ballenger Hwy to Fenton Road
Requisition 1928 QA2
2/3/2015

(Q) The DGN files posted to the FTP site appear to only be the sheet borders with the labeling – no line work. The “container” file that is referenced into the sheets is provided – however it doesn’t appear that any of the files that are referenced into that container file were provided.

Examples of some of the files we are looking for.
