

Road Design Survey Services in Macomb and St. Clair Counties REQ# 556 QA2

2/25/2011

Q.) Are ARRA funds apart of this project?

A.) **No.**

Q.) Are traffic control hours and costs required to be included in the proposal now or after selection?

A.) **After a consultant has been selected.**

Q.) Do the centerline alignments of the intersecting streets need to be determined and shown in the CAiCE/MicroStation final deliverables?

Q.) Do the Right-of-Way lines of M-29 and the intersecting streets need to be determined and shown in the CAiCE/MicroStation final deliverables?

A.) **Yes to both. The legal alignment is required per page 8 of the scope and also per page 8, ROW may be an issue therefore all property lines are also required.**
