

Developing Representative Michigan Truck Configurations for Bridge Load Rating

OR14-023

Requisition #1865

November 16, 2015

Q: The Consultant/Vendor Guidelines list additional deliverables such as the interim annual report (for 2 year projects), the Implementation Action Plan Proposal and a Spotlight Template which are not listed as deliverables in the RFPs. Should these additional deliverables from the Guidelines be added to the Appendix A Deliverables Table as well or are the RFP deliverables (report) the only items necessary on the Deliverables Table?

A: Yes, the Implementation Action Plan Proposal and the Spotlight Template should be added to the Appendix A Deliverables Table.
