

**Applying Multi-Beam Sonar for Inspection for Bridge Scour and Performance of Bridge  
Scour Mitigation Methods**

**OR15-192**

**Requisition #1949**

**March 23, 2016**

Q. Previously, we were told that the wording "MDOT will not accept multiple submittals" applied to the PI responding to an RFP. Can you please clarify?

A. MDOT will not accept more than one (1) proposal per Principal Investigator for each Requisition Number.
