**SPECIAL NOTICE REGARDING PRE-BID MEETING**

**The Michigan Department of Transportation has received multiple questions from potential vendors on for this contract regarding the potential to participate in the pre-bid meeting via conference call rather than in-person. While MDOT strongly encourages bidders to attend in person, a conference call option will be made available. MDOT will NOT be streaming the meeting via a webcast. Any vendors participating via conference call will be required to provide data for the sign-in sheet as if they were attending in person and any questions asked will be treated the same as from in-person participants.**

**Vendors requesting individual meetings with department representatives should note that these meetings will only be held on the day of the pre-bid meeting. The department will allow vendors to participate in these meetings remotely if they are unable to attend the pre-bid meeting in person.**

**Conference call details are as follows:**

**Call-in number: 877-820-7831**

**Passcode: 932132**
