

**Specialty Services for Freeway Courtesy Patrol Operations throughout the Metro Region**  
**QA1**  
**Requisition 1963**  
**3/25/16**

Q1: The First Page Has the Box Marked for Technical Proposal. Is MDOT requiring a separate Technical Proposal over and above the 14 page Proposal?

A1: There will not be a technical proposal or presentation.

Q2: Page 21 of the RFP, labeled Bid Sheet. At the top of the sheet it states that there will be no incentives for year one (1). This seems to contradict the information stated on page 16. Please advise if there will be incentives for year 1?

A2: There will be incentives the first year.

Q3: Page 21 of the RFP, labeled Bid Sheet. The page has several different boxes for Unit Price. However, per the RFP, there is no sponsorship being requested at this time. Therefore, is the bidder only to fill in the first box and leave the boxes labeled Sponsor A, B, and C blank?

A3: Only fill out the first box.
