

Specialty Services for providing Freeway Courtesy Patrol Operation Services  
Requisition #661

6/8/2011

Q: With this project it does not fall under the normal consultants umbrella due to the Men and Women that will be assisting motorists in the field. Will this fall under Davis Bacon Requirements for wages and certified payroll for these workers? Since it seems to be federally funded?

**A: No, this federally funded project does not fall under the Davis Bacon Act Requirements for wages and certified payrolls.**
