

Woodward Avenue Streetcar Project

PUBLIC HEARING - THURSDAY, FEB. 28, 2013

**4 p.m. to 7 p.m., with formal presentation at 5 p.m. (stop by anytime)
Detroit Public Library Main Branch, 5201 Woodward Ave., Detroit**

The U.S. Dept. of Transportation Federal Transit Administration (FTA) and the Michigan Dept. of Transportation (MDOT) have completed a Supplemental Environmental Assessment (EA) for the proposed Woodward Avenue Streetcar Project in Detroit. This is an opportunity to learn what has changed from the initial environmental study and to comment publicly on the EA that describes the social, economic and environmental impacts of the proposed streetcar project. View at www.mi.gov/woodwardstreetcar. With advance notice of seven days, accommodations can be made for persons with disabilities and/or limited English speaking ability, and persons needing auxiliary aids or services of interpreters, signers, readers or large print. Call 517-373-9534. Comments are due by March 14, 2013.

Michigan Department of Transportation
P.O. Box 30050
Lansing, MI 48909

A 3.3-mile, fixed-rail, at-grade streetcar system along Woodward Avenue, with 11 to 12 stations from Larned Street in downtown to Chandler/Delaware Street north of Grand Boulevard in New Center.
