Sec. 260.(1) Due to the current budgetary problems in this state, out-of-state travel shall be limited to situations in which 1 or more of the following conditions apply:

- A. The travel is required by legal mandate or court order or for law enforcement purposes.
- B. The travel is necessary to protect the health or safety of Michigan citizens or visitors or to assist other states in similar circumstances.
- C. The travel is necessary to produce budgetary savings or to increase state revenues, including protecting existing federal funds or securing additional federal funds.
- D. The travel is necessary to comply with federal requirements.
- E. The travel is necessary to secure specialized training for staff that is not available within this state.
- F. The travel is financed entirely by federal or nonstate funds.
