State of Michigan Single Sign-On Migration to
MiLogin for
Local Agency Reimbursement System Users

Dear Ms. Donohue and Mr. LaMacchia:

The Michigan Department of Transportation (MDOT) and the Michigan Department of Technology, Management and Budget (DTMB) are in process of moving all applications that use State of Michigan Single Sign-On (SSO) to a new online system called MiLogin. MiLogin will serve as a secure gateway to several State of Michigan web-based applications and will provide requirements to meet security and compliance needs.

On Friday, May 20, 2016, SSO will be migrated to MiLogin. There should be no interruption in service during this transition. Users will need to access Local Agency Reimbursement System (LARS) by going to <https://milogintp.michigan.gov> which is the MiLogin URL. The current link for SSO will be available but will not list LARS as a program that can be accessed. A notification will be visible on the SSO sign in page with the link to MiLogin. Current users of SSO will be able to use their current user id and password when logging into MiLogin. New security questions and answers will need to be created.

This transition will not interfere with the way you conduct business with LARS. As always, Local Agency Programs Section staff will be available to assist during the transition.

If you have any questions, please contact me at 517-335-2233 or Leixt@michigan.gov, or Michele Conklin at 517-373-9570 or conklinM@michigan.gov.

Sincerely,

Tracie Leix, PE
Local Agency Programs Engineer
