Board of County Road Commissioners

The Fiscal Year (FY) 2016 budget (Public Act 84 of 2015, Article 17, Section 120 & 121), included one-time funding of \$260,478,900 of General Fund for the state and local road and bridge program. This act specifies these General Funds shall be distributed to the Counties, Cities/Villages, and the State Trunkline Fund based on Public Act 51 of 1951 distribution formula.

Based on the funds availability for FY 2015, we anticipate these FY 2016 General Funds will be made available to the Michigan Department of Transportation (MDOT) for distribution in four equal quarterly allotments. The Financial Operations Division will distribute these funds each quarter along with the regular monthly Michigan Transportation Funds distribution.

On approximately November 4<sup>th</sup>, February 3<sup>rd</sup>, May 4<sup>th</sup>, and August 3<sup>rd</sup>, one quarter of each local road agency's share will be distributed. Enclosed is a spreadsheet showing an estimate of the total General Fund each local road agency will receive in FY 2016. MDOT's share will also be distributed to the State Trunkline Fund each quarter on the same dates.
