MDOT's Disadvantaged Business Enterprise (DBE) program works to ensure that firms owned and controlled by minorities, women, and other socially and economically disadvantaged persons have the opportunity to grow and become self-sufficient.

DISADVANTAGED BUSINESS ENTERPRISE Project Management - An Overview: Estimating to Close-Out

Sponsored by the Michigan Department of Transportation
Tuesday, Oct. 27, 2015 • 9 a.m. - 1 p.m.

Detroit Operations and Service Center, 1060 W. Fort St., Detroit, MI

Provide training on: This session will be held in an open-discussion format starting with the basic roles and functions Project Managers play within an organization and how a project's overall success can be measured. Estimating, planning, scheduling, and customer procurement will be covered in general terms; however, group involvement will enhance these topics based on individuals' questions, experiences, and participation in deliberating real project scenarios. Expectations and documentation requirements specific to MDOT, from the pre-construction meeting to the final estimate, will also be included. Topics are for the beginning project manager or intermediate manager transitioning into project management on MDOT projects.
