The Benzie Transportation Authority (BTA) is seeking quotes for one - three **ICOM** (or equivalent) dual fuel propane conversion kits. The conversions will be installed on a 2008 Ford E450, 6.8L gas engine, a 2013 Ford E450, 6.8L gas engine, and the potential for a 2014 Ford E450, 6.8L gas engine. Quotes should include all parts, including fuel tank, and the cost of shipping the units to 14150 US Hwy. 31, Beulah, MI 49617. All quotes must be guaranteed for a minimum of 90 days.

Please include the following options in the quote,

1. Cost of installation per vehicle
2. Cost of training BTA personnel for installation
