

PA 166 of 2020 Section 328

From the funds appropriated in part 1, section 104, the department shall do the following:

(a) Not later than 90 days before the close of the fiscal year, the department shall issue a report to each house of the legislature regarding freedom of information act compliance by the department that includes all of the following:

(i) The estimated cost and number of staff hours spent by the department to comply with the freedom of information act during the reporting period.

(ii) The estimated number of freedom of information act requests to the department, listed by subject area, during the reporting period.

(iii) A copy of each freedom of information act request to the department during the reporting period.

(iv) A copy of each freedom of information act response by the department to the requester during the reporting period.

(v) Any documents relating to an appeal or contested case involving a freedom of information act request to the department during the reporting period.

(b) The department shall submit the report described in subdivision (a) in electronic format.

**MDOT FOIA REPORT
June 1, 2020 to May 31, 2021**
