

ATTACHMENT TO FY 2015 RURAL TASK FORCE OBLIGATION REPORT
Period Ending September 1, 2015

The FY 2015 Local Obligation Report, sorted by County, is attached. A separate report, sorted by obligation date, is also posted.

The report is a draft and will be refined as part of ongoing meetings with representatives of the County Road Association (CRA), MDOT Local Agency Program (LAP), and MDOT Finance.

The obligated federal amount includes any "Advance Construct" portion which inflates the actual obligated federal funding amount. Projects with "Advance Construct" conversion in the current FY are shown as separate line items.

Projects funded with templates that are 100% state funding (TED-A, TED-F, etc.), and other templates that have separate obligation authority (Demo, Discretionary, Emergency Relief, Federal Lands, etc.) may not be included in the report, in an effort to show only the projects that were obligated as part of the local obligation authority.
