

How Will We Keep Motorists Informed?

For up-to-date information on this project, go to www.michigan.gov/drive or download the free Mi Drive app from iTunes and Google Play.

Follow MDOT's Bay Region on Twitter at: www.twitter.com/MDOT_Bay.

Long-term Benefits

These projects will improve the condition and safety of the roadway, while addressing required ADA upgrades.

MDOT reminds motorists to drive like you want to make it home tonight.

US-127, US-127 BR and M-46 Improvements

Gratiot and Isabella Counties

Construction and Motorist Information

March – November 2016

Prepared by: MDOT Graphic Design & Mapping Unit
Office of Communications\brochures\US-127 Gratiot (04/16 kh)

What Is Being Done?

The Michigan Department of Transportation (MDOT) will resurface nearly 16.5 miles of US-127 and US-127 Business Route (BR) in Gratiot and Isabella counties, and construct 6.5 miles of nonmotorized pathway within the right of way of US-127 in Ithaca.

Work on US-127 in Ithaca will occur between Washington Road and Lincoln Road. Work includes shoulder repairs, guardrail and drainage work, 6 miles of concrete repairs and resurfacing, and new construction of 6.5 miles of nonmotorized pathway within the right of way of US-127.

Work on US-127 BR in St. Louis will occur between Hoffman Road and M-46, and on M-46 from the Pine River Bridge to Croswell Road. Work includes concrete pavement repairs, joints, drainage, and 3.2 miles of resurfacing. Improvements also include ramps compliant with the Americans with Disabilities Act, railroad approaches, and pavement markings.

US-127 work in Shepherd includes milling and resurfacing 7.3 miles from Alger Road to Blanchard Road.

When Will This Be Done?

US-127 in Ithaca: March - November.

US-127 BR and M-46: July - November.

US-127 in Shepherd: September - November.

How Will Traffic Be Affected?

US-127 projects in Ithaca and Shepherd

At least one lane will be open in each direction. Motorists can expect traffic shifts.

US-127 BR and M-46

Traffic will be maintained in each direction via lane shifts, flag control, and temporary signals.

A full detour will be in place at northbound US-127 BR for two weeks during railroad crossing work (July 11-August). Detour: Woodside Drive, Michigan Avenue and M-46 (Washington Avenue).
