

**CM/GC for the Zilwaukee Bridge bearing replacement project
Bay Region, Saginaw County**

Q&A #5, 2/2/2012

JN 105176

Question 1: Would a single page cover letter be counted in the SOQ page limit?

Answer 1: No, this does not count towards the page limit.

Questions 2: One of the forms is asking for the date of the addendums. I don't believe these were sent to us, I think they are only posted online and they don't show the date they were listed.

Answer 2: Do not worry about stating the dates, as these were not given, just acknowledge that you received all addenda.

Question 3: Please verify the submittal time deadline and location.

Answer 3: Per section 5.9.1 of the RFQ, all SOQ's are due by 4:00 pm on Monday, February 6, 2012 to:

**Matthew Chynoweth
Engineer of Bridge Field Services
6333 Old Lansing Road
Lansing, MI 48916
Phone: (517) 322-3322
E-Mail: chynowethm@michigan.gov**

Question 4: We are in receipt of addenda #2, however, section 5.9.3 still refers to submittal of One (1) Pre-Construction Services Fee in a sealed envelope.

Answer 4: Please disregard the Pre-Construction Services Fee submission requirement in its entirety. No price proposal information is required as part of the Statement of Qualifications submittal.
