

Sample Tabulation of Bids

|

1

REQUEST TO ADVERTISE

This form is the local agency's responsibility however it will most likely be completed by the designer on their behalf. See Instructions for information on completing this form. It must be signed by the local agency and submitted on the blue form along with the PS&E package for approval to advertise.

ADDENDA

Addenda must have MDOT approval prior to issuance only if they affect the engineer's estimate or the scope of work.

BID TABULATION

✓ A certified tabulation of bids must be provided. As a minimum it must include the unit prices of the three lowest bidders and the total of all other bidders. It must contain a certification that This is a true and correct copy of bids received, read and tabulated for this project. Signed ____

CERTIFICATION OF CONTRACTOR SELECTION & REQUEST TO AWARD

This form is the responsibility of the local agency. See Instructions for information on completing this form. If the bid exceeds the engineer's estimate by more than 10 percent if less than 3 bids were received or if any bids were rejected justification needs to be provided. This form should be submitted only after the contractor has provided insurance and bonds. See the Certification A through F on the form.
