Invest in the Future: Mentor! Did you know 97% of the people who mentor would recommend it to a friend? So if you're a mentor, ask a friend or family member to become a mentor, too. Find a place to mentor by visiting www.mentormichigan.org.

Be a Mentor! Now is the perfect time to make the commitment to help a child in foster care. One hour a week can make a big difference in a young person's future. It takes no special talents. Go for a walk, toss a ball around, read a book, check his or her homework. All it really takes is the ability to be there on a regular basis and listen. Find a place to mentor by visiting www.mentormichigan.org.

Give your time! Have you considered becoming a foster parent but are unsure if full-time care is right for you? Are you taking a break from fostering or adopting? Then consider volunteering as a mentor to foster youth as an alternative option! Find a place to mentor by visiting www.mentormichigan.org.

Spread the word! Youth in foster care in our community are in need of a caring adult. Help recruit mentors by promoting the local mentoring organization. For more information, visit www.mentormichigan.org.
