

Mentor Michigan's Training & Technical Assistance

Are you new to the mentoring field?
Do you need assistance implementing the
Quality Program Standards for Youth Mentoring?
Would you like to learn about the latest tools and research
in the mentoring field?

Mentor Michigan can help!

Mentor Michigan offers a variety of training and technical assistance opportunities including conferences, webinars, and workshops geared towards providing resources to mentoring organizations across Michigan. Please visit www.mentormichigan.org on a regular basis to check out the upcoming webinars and trainings scheduled throughout the state. While there you may also sign up for the Mentor Michigan Listserv to receive email updates about the latest Training & Technical Assistance opportunities and other mentoring news.
