**AMENDED ORDER GRANTING HAZEL PARK RACING ASSOCIATION,
INC.,
D/B/A HAZEL PARK HARNESS RACEWAY A
2014 RACE MEETING LICENSE
AND 2014 SIMULCAST PERMIT**

Hazel Park Racing Association, Inc., d/b/a Hazel Park Harness Raceway, filed an application on August 29, 2013, for a 2014 Standardbred Race Meeting license and a 2014 Simulcast Permit with the Executive Director of the Michigan Gaming Control Board. The application was filed under the Horse Racing Law of 1995, Public Act 279 of 1995; MCL 431.301 *et seq.*, and the promulgated administrative rules. On September 27, 2013, the Hazel Park Racing Association submitted an amendment to their application to include Thoroughbred and Mixed Breed race meeting licenses. On October 21, 2013, the Hazel Park Racing Association submitted a significant and untimely second amendment to their application to decrease live race days from 44 to 10. In an order dated October 31, 2013, the Executive Director granted the original request for 44 live race dates, denied the reduction request, and conditioned the Thoroughbred and mixed breed race meeting licenses. Subsequent information was supplied by Hazel Park Raceway upon request during the review process which addressed the concerns of the Michigan Gaming Control Board that had led to the lack of breed specificity in the order. The reduced dates granted in this order reflect the applicant's request.

Under Executive Order No. 2009-45 the powers and duties of the Office of Racing Commissioner were transferred to the Executive Director of the Michigan Gaming Control Board including regulating pari-mutuel wagering, licensing, issuing final agency decisions on all contested case hearings, and the promulgation of agency rules. The Executive Director may also delegate his powers in writing to another.

The Executive Director, through the Michigan Gaming Control Board – Horse Racing Section, has investigated and evaluated the applicant and its application in this matter. The Executive Director has determined and concluded that the applicant complies with the standards and the requirements for granting a race meeting license and simulcast permit under the Act and the Administrative Rules. The licensee, however, is subject to the terms and conditions set forth below.

IT IS ORDERED, as follows:

The Executive Director hereby grants the amendments to the 2014 Race Meeting license at Hazel Park Harness Raceway for the 42 live race days requested in the original application. The 42 live race days granted will be divided into two race meets, a 10-day Standardbred meet from April 12, 2014, to May 3, 2014, and a 32-day Thoroughbred/Mixed Breed meet from June 29, 2014, to October 11, 2014. The 2014 Race Meeting license granted and issued hereunder shall be valid and continue in full force and effect from January 1, 2014, through December 31, 2014, unless hereafter suspended or revoked by order of the Executive Director. The second amendment to the application, requesting the reduction of live race days from 44 to 10, is denied as insufficient time was provided to properly review or consider such request, and based on the current record, including testimony taken at the dates hearing, there is insufficient reason to merit a reduction of live race dates.

The 2014 Race Meet license is conditioned upon the terms in this order, compliance with the Act, the Administrative Rules, orders of the Executive Director, and all other applicable local, state, and federal laws.

1) Additionally, the licensee must adhere to the following:

- (i) All simulcasts to or from the licensed race meeting during the term of the license shall at all times be conducted in compliance with the Act, and the rules and orders of the Executive Director and applicable provisions of the Interstate Horse Racing Act of 1978, 15 U.S.C. 3001 et seq., as amended.
- (j) Provide a copy of the applicant's export simulcast wagering agreement template that it will be using to contract with or export its live race meet signals to not less than thirty (30) days prior to distribution of said agreements. The Executive Director will not cancel any live racing date allocated hereunder upon request of the licensee except for good cause shown and for those reasons permissible under the Act and rules, including but not limited to budgetary reductions and insufficient appropriations.

The licensee must also include the toll-free compulsive gaming help line number (800-270-7117) in a prominent manner on all advertisement and promotional materials.

Starting May 10, 2014, progress updates must be submitted weekly to the Executive Director. Any deviation from the timeline must be reported to the Executive Director with the reason for the delay and the proposed remedy.
 - (c) Failure to have the second meet may result in penalties, fines, sanctions, and revocation of the 2014 race meet license and simulcast permit.

This order supersedes all previously issued 2014 licensing orders.
