January 25-26, 2014 (Bearpaw style only)

February 22-23, 2014 (Ojibwa only)

- Lace your own pair of wooden-framed snowshoes (with tubular nylon lacing)
- Frames, lacings and bindings are provided by Country Ways Snowshoe Company (Minneapolis, MN)
- Choose from two different styles of snowshoes: The Ojibwa (54" long X 11" wide) and the Green Mountain Bearpaw (36" X 10"); The Bearpaw style is recommended for weights under 200 lbs. (If you need to go with a bigger size, contact us and we may be able to order something larger)
- "A" Style Bindings will be provided as well
- This is a **TWO DAY** workshop. You should be able to complete both shoes in the two days; if not however, you will gain the skills to finish them at home. Most likely, the only thing left for you to do will be to varnish them.
- Fee for this workshop is **\$175/person** (2 frames, lacing and bindings). Reservations are REQUIRED and there is a \$25 non-refundable reservation fee. The remaining \$150 is due at the start of the class.
- Class space is limited to 10 participants.
