Architectural Classification _____

Briefly describe on a separate page the historic and current condition of the cemetery, including major landscape features and architectural details for each building, structure, or object. The narrative should describe distinctive landscape features (ornamental plants, shrubs, trees, rivers, ponds, natural vegetation, planned system of roads and pathways). **Note how the historic portion of the cemetery differs from any recent additions.**

PLEASE NOTE: This form is intended to be used only as an attachment to the Historical Marker application. It is not an application by itself.
