Terms and Agreement

I will reside in the Tawas Point Lighthouse in Tawas State Park where I have been assigned.

I will stay at the Tawas Point Lighthouse facility for the convenience of the Department of Natural Resources, Parks and Recreation Division and the Michigan Historical Center.

I will accept residence arrangements established by my assigned facility as a condition of my being accepted to perform volunteer services as a Lighthouse Keeper.

I understand that this agreement can be terminated at any time by either party in writing and that past volunteer status does not obligate the State of Michigan to place me as a Lighthouse Keeper in the future.

I understand that I may not be entitled to worker's compensation or liability protection.

I understand that all information I have willfully provided on this application is required under the authority of the Michigan Department of Natural Resources and Michigan Historical Center for the safety and well-being of all persons who utilize the Lighthouse facilities and that this information will become public record.

I understand that a criminal history check may be obtained prior to my appointment as a Light Keeper.

I agree to perform the minimum required activities.

I agree to abide by Department Policy, State and Federal laws which prohibit discrimination in employment, education, housing public accommodations, law enforcement or public service based on religion, race, color, national origin, age, sex, marital status, height, weight, or disability.

I certify that this information is complete and true.
