## Circular No. 20 – Civil War Records

### Manuscripts

**NOTE: This circular lists no collections acquired by the Archives of Michigan after the year 2000. For more complete information, please search the ANSWER online catalog.**

The Archives of Michigan has many military records that were generated by government agencies (see Circular Nos. 4 and 7). In addition, the Archives has received from private sources a variety of personal papers by or relating to soldiers and veterans. These manuscripts include things like certificates, diaries, discharges, journals, letters, and miscellaneous documents. This circular identifies all such materials in the possession of the Archives of Michigan that pertain to the Civil War.

### **Civil War Photographs**

The Archives of Michigan has a fairly large collection of photographs of Civil War soldiers and veterans. The individual portraits range from Civil War era carte-de-viste images of young men to photographs of aged veterans. These are arranged alphabetically by name in the general Biography Index drawers, and separately by unit and then alphabetically by name in a special card catalog drawer. Both indexes are located in the Reference Room of the Archives of Michigan. There are also some photographs in the collection of Civil War units and miscellaneous groups of soldiers, but the persons in these larger photographs are not identified individually. The same is true of reunion pictures of Civil War units, mostly taken prior to World War I.
