...for the Wake Up, Michigan! Symposium

The consequences of insufficient sleep can be costly. Find out what happens when employees, drivers, and law enforcement officers don't get enough zzzz's. Sessions will focus on the importance of sleep, drowsy driving dangers, at-risk groups, countermeasures and emerging technologies, the legal impact of drowsy driving, fatigue from an officer's point of view, and employer risks and return on investment. The symposium is for employers (risk, HR, safety managers), law enforcement, engineers, commercial motor vehicle fleet managers, and the motoring public.

Thursday, September 20, 2007 8 a.m. - 5 p.m. Cost: \$50

Steelcase University Learning Center, Town Hall, Grand Rapids

Speakers include:

- Dr. Christopher L. Drake, Henry Ford Hospital Sleep Center
- Darrel Droblich, National Sleep Foundation
