

**SENIOR CITIZEN OF THE YEAR  
AWARD PROGRAM 2009  
Guidelines for Nominations**

For over 150 years, the Michigan State Fair has paid tribute to the accomplishments of Michigan residents in the industrial, agricultural, and educational fields. As part of this tradition, on Seniors' Day at the Fair the Commission on Services to the Aging and the Office of Services to the Aging will join with the Michigan State Fair to honor the tremendous contributions by Michigan older adults. The Senior Citizen of the Year Award highlights the contributions to civic and social life made by persons age 60 and older. The Award is presented in two categories **leadership** and **service**.

1. Please complete the information for the nominee, the nominating organization and the appropriate questions for the category of leadership or service and attach to the nomination forms. (Response to all questions are needed in order to score nominations).
2. Selections will be made primarily on the leadership or service rendered in the past year. Emphasis should be placed on a nominee's activities after age 60. Nominees must be 60 years of age or older on or before the July 6 deadline.
3. Nominations must be submitted by an organization. Members of the Michigan Legislature are not considered organizations; however, they can submit letters of support for a nominee.
