Regarding MCS and MTG payments

This is a reminder that the deadline for 4th quarter verifications is tomorrow, July 19th. You need to have your students 100% verified by tomorrow in order to ensure accurate payment. The last, or 4th quarter payment is expected to go out July 26th. Schools that are not balanced will not get a payment.

If you need assistance with your files and balancing, please contact Marion Seelman at 517-241-3106 or at SeelmanME@michigan.gov.
