

Michigan Tuition Grant Fact Sheet Academic Year 2014-15

Description

The Michigan Tuition Grant program is available to undergraduate Michigan residents with financial need who plan to attend or are attending independent, degree-granting Michigan postsecondary institutions.

Application

Applicants must file the Free Application for Federal Student Aid (FAFSA) prior to July 1 preceding Fall 2014 enrollment. Students are encouraged to file their FAFSA on the Web at www.fafsa.gov. Paper forms are available from the Federal Student Aid Information Center by calling 1-800-4-FED-AID or a printable version can be accessed on the www.federalstudentaid.ed.gov Web site. The FAFSA allows students to list multiple colleges when filing. Because Student Scholarships and Grants (SSG) does not know which college the student will select, the award is based on the first college listed. Students must file a renewal FAFSA every year to determine possible continued program eligibility.

The student is responsible for notifying SSG of a change of address or college choice.

Program Limits

Awards are restricted to tuition and mandatory fees. Awards pay up to a maximum of \$1,626 per academic year¹. Students may receive the equivalent of ten (10) semesters or 15 terms of full-time assistance as an undergraduate. Future awards are subject to available and approved funding.

Eligibility *Failure to meet these requirements could affect eligibility for an award.*
