

## Michigan Rider Education Program Courses Public and Private Sponsored Classes

The Michigan Rider Education Program uses both public and private organizations approved by the Michigan Department of State to offer motorcycle rider education classes. The department is committed to assuring instruction is given by qualified instructors in an approved facility certified by the Motorcycle Safety Foundation. The list below details public and private sponsored classes near you. Check website addresses for class schedules or contact the sponsor for more information. A tuition of \$50 (nonrefundable fee) will be charged for basic rider, three wheel basic rider, returning basic rider and advanced rider course motorcycle classes from public sponsors. Fees charged by private sponsors for motorcycle rider education classes are not regulated by the department. Therefore, students are encouraged to inquire about course fees, refund or no show policies prior to paying for the instruction. The list below details classes offered by sponsors near you; please contact the sponsor for more information on registering. Below is information on each training class offered: BRC – Basic Rider Course, for beginners to learn to ride and earn their motorcycle endorsement on a furnished motorcycle. 3WBRC – Three-Wheel Basic Rider Course, for beginners who want to learn to ride three-wheel motorcycles instead of two-wheel motorcycles and earn a special 3-wheel only- motorcycle endorsement. RRC – Returning Rider Course, for experienced riders who want to brush up on their skills on their own motorcycle and earn the motorcycle endorsement. ARC – Advanced Rider Course, for endorsed riders who want to brush up on their skills on their own motorcycle.

### **Alpena County**

Public Sponsor: Iosco RESA  
Location: Besser Company Parking Lot  
Contact: Jo Allen 989-362-3006 163
