#### Additional Information:

The working definition of third-party community energy projects is a flexible program with a central array and multiple subscribers, which provides economic, environmental and community benefits with known objectives.

We will provide some candy but please feel free to bring your own snacks and beverages. Please let us know ASAP if you have any food allergies or sensitivities. Lunch is on your own.

LARA is an equal opportunity employer/program.

Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities.
