Overview of the Day's Events

10a to Noon – Tour Stoney Corners Wind Farm will be open for tours, just south and east from Cadillac. From Highway M-115 just south of Cadillac and adjacent to U.S. 31 North, turn East on County Road 48, towards McBain. This road is also known as Stoney Corners Road. You will see the two wind generators on the south side of CR-48, about 5 miles east from M-115, 5 miles west from McBain.

Chef Hermann has invited anyone attending the WWG meeting to come to his restaurant for lunch or dinner. See <http://www.chefhermann.com/>. Tell the restaurant you are with the wind group, and they will seat you in a special area. We're told there may be a special "volcano cake" for dessert.

1:30 to 3:30 p.m. – MREP & Wind Working Group meeting at Wexford-Missaukee ISD Campus. Agenda details on next page.

4:00 to 6:00 – dinner on your own

6:00 p.m. – MPSC Consumer Forum with MPSC Commissioner Stephen Transeth at Cadillac City Hall, Council Chambers. See http://www.michigan.gov/documents/mpsc/mpsc-ca_2008consumerforums_246528_7.pdf
