At the January 30, 2007 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. J. Peter Lark, Chairman
Hon. Laura Chappelle, Commissioner
Hon. Monica Martinez, Commissioner

OPINION AND ORDER

On November 30, 2006, Pelzer Communications Corporation (Pelzer) filed an application, pursuant to the Michigan Telecommunications Act (MTA), MCL 484.2101 *et seq.*, for a license to provide basic local exchange service throughout the state of Michigan in the zone and exchange areas served by Verizon North Inc., Contel of the South, Inc., d/b/a Verizon North Systems, and AT&T Michigan. Pelzer also requested a temporary license.

MCL 484.2301(2) states: "Pending a determination of an application for a license, the commission without notice and hearing may issue a temporary license for a period not to exceed 1 year." Pelzer states that it seeks a temporary license to allow it to begin the prompt negotiation

of interconnection agreements. Pelzer's request for a permanent license is set for a hearing on February 27, 2007.

After a review of the application and testimony, the Commission finds that approval of the request for a temporary license is in the public interest.

The Commission FINDS that:

a. Jurisdiction is pursuant to 1991 PA 179, as amended, MCL 484.2101 *et seq.*; 1969 PA 306, as amended, MCL 24.201 *et seq.*; and the Commission's Rules of Practice and Procedure, as amended, 1999 AC, R 460.17101 *et seq.*

b. Pelzer should be granted a temporary license.

THEREFORE, IT IS ORDERED that:

A. Pelzer Communications Corporation is granted a temporary license to provide basic local exchange service throughout the state of Michigan in the zone and exchange areas served by Verizon North, Inc., Contel of the South, Inc., d/b/a Verizon North Systems, and AT&T Michigan. The temporary license shall expire upon issuance of the final order granting or denying its application for a permanent license.

B. Pelzer Communications Corporation shall provide basic local exchange service under the temporary license in accordance with the regulatory requirements specified in the Michigan Telecommunications Act, MCL 484.2101 *et seq.*, including the number portability provisions of Section 358, the anti-slamming procedures adopted in Case No. U-11900, and the number reclamation process adopted in Case No. U-12703.

C. Before commencing basic local exchange service under the temporary license, Pelzer Communications Corporation shall submit its tariff reflecting the services that it will offer and identifying the exchanges in which it will offer service.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, pursuant to MCL 484.2203(12).
