Apply a priority to each element  
Data Driven Analysis to determine Phases

# Michigan By the Numbers

## State Initial Consultation

### Level of Government

State	34
County	28
Local	9
Federal	11
Tribal	9
Other	27

### Discipline

911	5
Fire	5
Law	17
EMS	5
IT	11
Em. Mgmt	7
Education	1

## Michigan's Current Activities and Next Steps

- ☑ Work collaboratively with FirstNet through the consultation process
- ☑ Data Collection and Submission – September 30th
  - ☑ Continue to refine date for data driven analysis
- ☑ Outreach and Education Regional Workshops
  - ☑ Gather and Prioritize User Needs/Requirements
- ☑ Finalize Governance Strategy
  - The Technical Advisory Team is actively engaged
  - Establishing advisory teams: User & Business
- ☑ Coordination with other states' teams across Midwest FEMA Region V

*We need you to be an Advocate for your Discipline,  
...and also an Advocate for your Community*
