RE: **Request for Proposals for an Historic Resource Survey Of Modern Resources (1940-1970) In Flint, Michigan And Complete A National Register Of Historic Places Nomination For The Flint Civic Center**

I. Services Sought by Authority

The Michigan State Housing Development Authority, State Historic Preservation Office ("Authority" or "SHPO") is seeking an organization authorized to do business in Michigan to provide the Authority with a historic resource survey, and complete a survey report for Modern resources (churches, schools, residences, commercial and municipal buildings, etc.) built between 1940 and 1970 and located within the city limits of Flint, Michigan, including Westgate Park, a subdivision by developer Robert Gerholz constructed in 1953. Four of the identified resources will be surveyed at the intensive level, one of which will be the Flint Civic Center. The consultant will also prepare a National Register of Historic Places nomination (NRHP) for the Flint Civic Center. A detailed description of the work is described in the Overview of services sought, Tasks and Activities of this Request for Proposals ("RFP").

Michigan law allows for veterans preference only; however, women-owned, minority-owned, and small businesses authorized to conduct business in the State of Michigan are encouraged to register with Buy4Michigan and submit proposals.

III. Overview

The State Historic Preservation Office of the Michigan State Housing Development Authority (SHPO or the Authority) is seeking a 36 CFR 61-qualified consultant to undertake historic context development, conduct a historic resource survey, and complete a survey report for Modern resources (churches, schools, residences, commercial and municipal buildings, etc.) built between 1940 and 1970 and located within the city limits of Flint, Michigan, including

Westgate Park, a subdivision by developer Robert Gerholz constructed in 1953. Four of the identified resources will be surveyed at the intensive level, one of which will be the Flint Civic Center. The consultant will also prepare a National Register of Historic Places nomination (NRHP) for the Flint Civic Center. Dedicated in 1958, the Civic Center was conceptualized by New York City planner Robert Moses and the design executed by H.E. Beyster & Associates of Detroit. The survey area is the city limits of Flint roughly bounded by Carpenter Road, Branch Road, Richfield Road, Center Road, Lippincott Blvd, E. Atherton Road, Hemphill Road, W. Bristol Road, and Clio Road (Bishop Airport is excluded).

Once one of the state's most prosperous cities, an organized city planning effort was undertaken to modernize Flint after World War II. The purpose of this project is to place Flint within the larger Michigan Modern context (michiganmodern.org), raise awareness of Flint's modern resources to encourage their protection and reuse, and add to the SHPO's statewide inventory of historic resources.

The selected contractor will also advise and educate Authority representatives related to contractor services sought as outlined below.

IV. Objectives, Tasks & Activities

A. General Objectives. To successfully perform the services described in Section I above, the Bidder must satisfy the following objectives:

1. Undertake primary and secondary research and develop and write historic contexts and identify periods of significance in compliance with National Register Bulletin 16A, *How to Complete the National Register Registration Form*. Research must include a variety of source materials as listed in the Historical Research section of the SHPO's *Manual for Historic and Architectural Surveys in Michigan* (2017).
2. Identify and undertake reconnaissance-level historic resource survey of and complete a survey report for Modern resources (churches, schools, residences, commercial and municipal buildings, etc.) built between 1940 and 1970 and located within the city limits of Flint, Michigan, including Westgate Park, a subdivision by developer Robert Gerholz constructed in 1953 in accordance with SHPO's *Manual for Historic and Architectural Surveys in Michigan*.
3. Conduct Intensive Level Historic Resource Survey on four (4) of the identified resources, one of which will be the Flint Civic Center in accordance with the SHPO's *Manual for Historic and Architectural Surveys in Michigan*. Resources will be chosen in accordance with the National Register Bulletin *How to Apply the National Register Criteria for Evaluation* and in consultation with the SHPO.
4. Prepare a National Register Multiple Property Documentation Form that includes the historic contexts and all associated property types in accordance the *National Register Multiple Property Nomination Form* bulletin.
5. Prepare National Register of Historic Places nomination materials for four of the resources surveyed at the intensive level using the newest version NPS Form 10-900 template available from the National Park Service, in accordance with the *National Register Bulletin How to Complete the National Register Registration Form*.

B. Tasks & Activities. The selected contractor must have knowledge of and experience with the National Register of Historic Places criteria and procedures. The selected contractor shall perform the following objectives and services including but not limited to the following:

1. **Initial On-site Meeting.** Meet with SHPO's National Register Coordinator, Survey Coordinator, and Preservation Planner and representatives from the city of Flint. This meeting shall be held in the city of Flint.
2. **Deliverable #1 - Public Information Meeting.** Hold a meeting at the beginning of the project to acquaint public officials and the general public with the project goals. The purpose will be to answer questions about the survey and NRHP process, provide an explanation of the benefits of being listed in the NRHP, and to solicit information. It is anticipated that this meeting will require, at a minimum, one hour to discuss project goals and answer questions. The meeting should be scheduled on the same day as the initial on-site meeting (see B (1) above).
3. **Deliverable #2 - Consult with the Local Community.** Coordinate and consult with the city of Flint's primary contacts and local historians as necessary to complete the activities described in this Section. Note, however, that the selected consultant(s) alone shall be responsible for the successful completion of all products. (Note, however, that the selected contractor alone shall be responsible for the successful completion of all products.)
4. **Conduct Primary and Secondary Research.** Undertake primary and secondary research and write historic contexts and identify periods of significance in compliance with National Register Bulletin 16A, *How to Complete the National Register Registration Form*. Research must include a variety of source materials as listed in the Historical Research section of the SHPO's *Manual for Historic and Architectural Surveys in Michigan* (2017). Research will include, at a minimum, use of early maps, directories, tax assessor records, and collections available at local repositories.

Research will also result in the identification of the associated property types related to these context themes. All work must be done in accordance with the National Park Service *How to Complete the National Register Registration Form* bulletin.

5. **Deliverable #3 - Historic Resource Survey and Survey Report.** All survey must be done in accordance with the SHPO's *Manual for Historic and Architectural Surveys in Michigan*. For each resource, the Contractor will provide a completed survey inventory form developed in consultation with the SHPO. The form will be in a software approved in advance and in writing by the SHPO. (Note: Fields used in the inventory form shall follow the general format of NRHP nomination Form 10-900.) Resources will be surveyed at the reconnaissance level, however, a minimum of four (4) resources, one of which will be the Flint Civic Center, chosen in consultation with the SHPO, shall be surveyed at the intensive level. All surveyed sites shall include thorough photo-documentation of resource exteriors and concise written descriptive information.

For each resource, the selected contractor will provide, at a minimum, the following:

- a. **Photography.** For reconnaissance-level survey, photograph at least two views that show the front and one side and the front and other side. For resources on a corner site or freestanding, also include one or more three-quarter views showing both the front and each side of the resource and a general view of each side of the resource. For garages and small outbuildings, provide one view each. For larger outbuildings provide two views from different directions whenever possible. All photos must be taken without snow covering

and/or obscuring buildings, landscaping, and other features. Images must be digital, in color, saved in JPEG format, and meet or exceed the National Register's preferred standard of six megapixels (2000 X 3000 pixel image--see the *National Register Photo Policy Factsheet*). Image files shall be named according to the following protocol and **not include the state or the county name**: Street name_Street direction (N, S, E, W)_Address number (Use 5 digits, 00001 etc.)_Image number (01 etc.), if there are multiple images for same property. Example: the file name for the first of several images for 23 West Smith Street should appear as SmithStreet_W_0023_01.

For intensive-level survey, in addition to the photographs described above, additional photographs shall be included that provide views of all sides of the resource as well as views of individual significant features such as street lights, retaining walls, historic street trees, etc. and for streetscape views that show the relationship of the buildings to one another and to the landscape.

Photographs will be uploaded to the MiSHPO system with a caption describing the image.

Note: Additional photographs may be requested by SHPO staff, as needed.

- b. **Survey Data.** Survey data will be collected using the fields found in the Michigan History/Architectural Survey Site Form (2017) included in **Exhibit D** or equivalent. Note: The form shall be created by the consultant using any collection software method preferred. All completed forms shall be printed, with the associated photographs included with the form and used in the compilation of the Survey Report. NOTE: At this time, completed Survey Site forms cannot be printed from MiSHPO.
- c. **Survey Report.** The Contractor will compile all survey information into a Survey Report. **A first draft of the survey report (75% completion) shall be submitted to the SHPO for comment.** The Survey Report will include following information:
 - i. An abstract indicating the purpose of the survey, the number of acres surveyed, the number of resources surveyed and the number of resources found to be eligible for listing on the National Register of Historic Places or previously listed in the National Register.
 - ii. A discussion of the parameters and methodology of the survey.
 - iii. The names of local contacts who were especially knowledgeable or helpful as well as groups or organizations supportive of the survey who were used as resources.
 - iv. Historic context statements for the city of Flint (1940-1970) based on the National Register of Historic Places criteria.
 - v. A short history of each resource surveyed at the reconnaissance-level and an extensive history for those resources surveyed at the intensive-level. The history will address the significant people, events, time periods, and trends associated with the resource.
 - vi. A completed Michigan History/Architectural Survey Site Form, created in a software method preferred by the Consultant, for each individual resource that includes all of the data categories listed in **Exhibit D**. The inventory form shall include a photograph of the respective resource.

Inventory forms shall be organized by street name, direction, and street number.

- i. **NOTE:** In addition, a completed History/Architectural Survey Site Form for each individual resource must also be completed online through MiSHPO. As of this time, it is not possible to print the forms for the hard copy of the report from the MiSHPO system.
 - vii. A table of all surveyed resources that includes: street name, street direction, street number, year built, name of property, and eligibility recommendation. This table should be organized by street name, direction, and street number.
 - viii. Maps that show the location of all surveyed resources must be included in the report. Maps of potential historic districts must have boundaries clearly delineated and contributing/non-contributing resources clearly identified.
 - ix. Bibliography according to the most recent edition of the *Chicago Manual of Style*.
6. **Deliverable #4 – Survey Report.** The final Survey Report shall be distributed to the SHPO and to the City of Flint. Each entity shall receive one (1) printed and bound copy and one (1) digital copy in in Portable Document Format (PDF). The completed Survey Report and database will be made available to the public, at a minimum, on the SHPO website.
7. **NRHP Nomination Forms.** Prepare a complete set of NRHP nomination materials for four (4) resources, to be determined in consultation with the SHPO. The consultant will prepare a checklist that includes National Register nomination criteria, as well as other factors, to assist in making the final determination of the resources that will be nominated to the National Register. Nominations shall be completed in accordance with the *National Register Bulletin: How to Complete the National Register Registration Form*. The NRHP nomination forms shall be submitted to the Authority for review at three intervals: first draft of specific sections (75% completion), second draft of all sections (95% completion), and the final NRHP nomination (100% completion). All comments provided by the reviewers of the nomination must be addressed in the final product.
8. **Deliverable #5 – NRHP First Draft (75%).** Prepare and submit to the SHPO a first draft of the NRHP nomination (75% completion). All parts of the *National Register of Historic Places Registration Form* (form 10-900) must be submitted in Microsoft Word .doc or .docx format. Deliverable #5b must include:
- b. **Draft National Park Service Form 10-900, National Register of Historic Places Registration Form Parts 1, 2, 5, 6, 7, 10, and 11.** Submit a draft of:
 - i. Part 1 – Name of Property
 - ii. Part 2 – Location
 - iii. Part 5 – Classification
 - iv. Part 6 – Function or Use
 - v. Part 7 – Description
 - vi. Part 10 – Geographical Data
 - vii. Part 11 – Form Prepared By
 - c. **Draft Boundary (District) Map.** Submit a map or series of maps, as needed, illustrating the district boundary. If changes to the district boundary are

warranted, provide narrative justification for the recommended boundary. Include photographs and research notes, as needed, to justify the proposed district boundary. Boundary maps shall be printable in either 8.5 x 11 or 11 x 17 inches, and reproducible in black-and-white.

- d. **Draft Locational Maps.** Provide two (2) locational maps that conform to the requirements stated in that National Park Service's National Register Draft Electronic Map Policy Factsheet (June 2012). The consultant(s) will provide:
- i. One (1) large scale map that depicts the nomination property within the full extent of the map. Generally, this can be achieved at a distance of one hundred feet.
 - ii. One (1) small scale map that depicts the nominated property in its wider geographical context. This should be similar to the scale of a USGS topographical map. Generally, this map can be achieved at a distance of five hundred feet.
 - iii. Each map must contain: the historic name of the nominated property, address, city, county, state, a scale, a north arrow, and geographical coordinates to six decimal places. It is preferred that no more than four (4) geographical coordinates are submitted.
 - iv. Properties must be clearly identified on the map image. The district boundaries must be clearly marked inside a figure drawn with four (4) straight lines. The latitude and longitude coordinates for the district will be derived from the intersection of those lines.
 - v. Each map must be printed at either 8.5 x 11 or 11 x 17 inches, and reproducible in both color and black and white.

- d. **Draft Narrative Description (Part 7).** The draft Narrative Description shall include a summary paragraph and a draft description of the entire district to seventy-five percent (75%) completion. The description shall include an inventory and description of individual resources in the district as outlined in the SHPO's *Manual for Historic and Architectural Surveys in Michigan (2017)*, the SHPO's *So You Want to List Your Commercial District in the National Register of Historic Places? How to Do It – What Is Required*, and the National Park Service's National Register Bulletin 16A, *How to Complete the National Register Registration Form*. Additionally, the Narrative Description shall discuss, at a minimum:

The topography and setting of the district;

- i. The topography and setting the district: this should include a brief statement of the physical characteristics of the larger area in which the district is located.
- ii. Notable landscape features and their relationship to the built environment;
- iii. The street plan of the district;
- iv. Types, styles, periods of construction, size, scale, materials, and physical relationships of buildings, structure, objects, etc.;
- v. Contributing buildings, structures, objects, landscapes, etc., discussed in detail; as specified in the SHPO's *So You Want to List Your Commercial District in the National Register of Historic Places? How to Do It – What Is Required*.
- vi. Non-contributing buildings, structures, objects, landscapes, etc.;

- vii. Significant buildings, structures, objects, landscapes, etc., lost from the district.
 - e. **Sanborn Maps.** Provide all Sanborn maps available for the resource in printed or digital format. If paper maps are submitted, they should be printed on 11x17-inch paper, at a minimum. The map image should be legible and fill the paper to the extent possible.
 - f. **Review Meeting.** As needed after submission of Deliverable #4, meet with SHPO staff to discuss comments and make needed adjustments such as writing style, additional research needed, order of inventories, and documenting source materials.
9. **Deliverable #6 –95% Draft.** Prepare and submit a draft of all revised sections previously submitted and the remaining sections of the NRHP nomination (95% completion), as outlined below, on NPS Form 10-900. All parts of the *National Register of Historic Places Registration Form* (form 10-900) must be submitted in Microsoft Word .doc format. Deliverable #6 must include:
- a. **Revised Parts 1, 2, 5, 6, 7, 10, and 11.** Submit all revised parts from Deliverable #5. Revisions must incorporate and reflect comments received from the SHPO.
 - b. **Draft Statement of Significance (Part 8).** Compose and submit a narrative Statement of Significance that discusses in depth how the district meets the selected National Register criteria. Part 8 and the Statement of Significance must conform to the National Park Service’s National Register bulletin 16A, *How to Complete the National Register Registration Form* and the SHPO’s *So You Want to List Your Commercial District in the National Register of Historic Places? How to Do It – What Is Required*. The consultant(s) might also consult National Register Bulletin 15, *How to Apply the National Register Criteria for Evaluation*. Additionally, the Statement of Significance must:
 - i. Include a summary paragraph stating what criteria are met and why; how the district represents a significant theme, property type, and/or period of development; and how the district is important in the period(s) and area(s) of significance noted.
 - ii. Establish a context for evaluation and registration relating the nominated properties to broad patterns of historical development;
 - iii. Include brief summary of development of community, beginning with details of first settlement and including extensive documentation on development during period of significance;
 - iv. Address all selected criteria, identified areas and periods of significance;
 - v. Assess the history and significance of the resources of the district in a local, statewide, or national context, as appropriate based on the selected level of significance for the district as a whole.
 - c. **Draft Major Bibliographical References (Part 9).** Submit a draft of the nomination bibliography. The bibliography shall be formatted using an accepted standard, such as the *Chicago Manual of Style*.

- d. **Draft Nomination Photographs.** Provide one (1) set of color, high-resolution digital images in JPEG format AND one (1) set of color high-resolution digital images in TIFF format. Image files shall be named according to and meet the “best” requirements set forth in, the National Park Service’s *National Register Photo Policy Factsheet* (May 15, 2013). Each set should contain the same photographs and the same number of photographs.
 - e. **Draft Photo Log.** Submit a draft photo log. The photo log should be complete and accurate and include the information specified in the National Register registration form.
10. **Deliverable #7 - NRHP Final Nomination Package (100%).** This is the final submission package for the National Register of Historic Places nomination for the Flint, Michigan and the Flint Civic Center. All parts of the National Register of Historic Places Registration Form (form 10-900) must be submitted in Microsoft Word .doc format. Deliverable must include:
- a. **National Register of Historic Places Registration Form.** A fully complete National Register of Historic Places Registration form for Flint, Michigan and the Flint Civic Center in Microsoft Word .doc or format, including and incorporating all comments received from SHPO staff. All parts must be finalized prior to submission. Incomplete forms shall not be accepted.
 - b. **Photographs.** Submit final nomination images. If no changes were requested from earlier drafts, no further images will need to be submitted. However, the consultant(s) shall ensure that one (1) set of color, high-resolution digital images in JPEG format AND one (1) set of color high-resolution digital images in TIFF format have been provided. Image files shall be named according to, and meet the “best” requirements set forth in, the National Park Service’s *National Register Photo Policy Factsheet* (May 15, 2013). Each set should contain the same photographs and the same number of photographs.
 - c. **Maps.** Final versions of the boundary (district) map and the locational maps shall be submitted. All final maps shall reflect any comments received from SHPO staff.
11. **Deliverable #8 - NRHP Presentation to State Historic Preservation Review Board.** Present the National Register nomination to the State Historic Preservation Review Board (SHPRB) at its first regularly scheduled meeting held after the nominations have been completed and accepted by SHPO. Create and submit to the SHPO sixty (60) days prior to the date of the determined SHPRB meeting one (1) Microsoft PowerPoint file in .ppt or .pptx format that:
- a. Includes one (1) title slide that states the name of the historic resource, the city, and the county in which the district is located, and the presenter’s name;
 - b. Includes enough photographs to adequately portray the historic district. This may include all final nomination photographs, or a selection of the same. Note that presentations to the Review Board are limited to five (5) minutes, as such it is preferable to limit the number of slides in each presentation to no more than thirty (30);
 - c. Is free of any formatting such as photograph text labels, background designs, etc.;
 - d. Includes images that, to the extent possible, fill the entirety of the slide.

12. **Deliverable #9. Interested Persons List.** Provide to the SHPO one (1) copy, in a Microsoft Excel .xls or file, of a list of public officials and other interested persons who should be notified of the nominations. Include the name, title, and mailing address of the chief elected official and mailing addresses of any other interested persons or agencies which should be notified, such as the planning commission, historical societies, museums, tourism organizations, chamber of commerce, etc.
13. **Deliverable #10. Research Notes.** Provide to the SHPO copies of all source materials used in preparation of the nominations, including, but not limited to, books, newspapers, historical maps, historical photographs, journals, letters, interviews, etc. It is preferred that research notes are submitted as digital files, but paper copies will be accepted. Research notes are to be organized by type, as follows:
 - a. **Organization:** research notes must be grouped by source type (photographs, newspapers, maps, photographs, etc.). Digital files must be grouped into folders by source type – a folder for photographs, a folder for books, a folder for maps, and so on.
 - b. **Naming:** Digital files must follow a consistent naming format for each file type. For most sources, file names should begin with the date of publication, using the eight (8) digit format of YYYYMMDD.
 - i. Where dates are not known, zeroes should be used in their place. For example, if a newspaper article were published on June 16, 1932, the file name would begin, 19320616. If a magazine article was published in June 1932, the file name would begin, 19320600.
 - ii. Naming conventions may vary by file type, but all files within that type group must follow the same convention. For example, maps and photographs may differ in the way they are named, but all maps must be named the same way, and all photographs must be named the same way.
 - c. **Newspapers:** newspapers shall be organized chronologically. Digital newspapers files shall be labeled as follows: “YYYYMMDD_Newspaper Title_Headline Note or Topic.” Newspaper titles may be abbreviated (DFP for Detroit Free Press), but the name and city of publication must be clear in the event the paper is from a small town or not widely known. A key of abbreviations may be included with the newspaper files.
 - d. **Interviews:** Notes made from interviews must clearly identify the interviewer, the person(s) interviewed, the location (with addresses) of the interview(s), and the date(s) of the interview(s).
 - e. **Maps:** maps, whether paper or digital, must be submitted at a size, color, and resolution that is clear and legible, and allows one to “zoom in” on a particular area of the map with limited loss of legibility.
14. **Deliverable #11 - Public Informational Meeting #2- Completion.** A meeting will held in the city of Flint at the completion of the project to present the final results and deliverables to the public. It will include a digital Microsoft PowerPoint presentation of about one hour in length that provides detailed information on final project findings including the historic contexts and property types identified and the significance of the resources being listed. The selected contractor shall coordinate with SHPO on scheduling and logistics.

Prior to presenting the final results and deliverables to the general public, the consultant will present the digital Microsoft PowerPoint presentation to a meeting of the Flint City Council. The selected contractor shall coordinate with DHDAB on scheduling and logistics for these meetings.

15. **Deliverable #12 - Quarterly Progress Reports.** Provide to the SHPO quarterly progress reports using the form provided by the Authority. Quarterly progress reports shall be due by January 15, April 15, July 15 and September 15 during of each year during the project reporting period and will include:
 - a. Title sheet identifying the project, contract number, and name and address of the selected contractor.
 - b. Names and titles/responsibilities of the project manager and persons working on the project, including any subcontractors.
 - c. A financial report of expenditures to date including any changes to approved budget or approved work schedule.
 - d. A written summary of progress outlining the work accomplished during the reporting period. Problems, real and anticipated, or any significant deviation from the agreed-upon work plan should be brought to the attention of the Contract Administrator.

16. **Deliverable #13 - Project Completion Report.** The selected contractor shall provide a brief professional quality report that includes the following:
 - a. A title sheet identifying the project, contract number, and name and address of the selected contractor;
 - b. The names and titles/responsibilities of the project manager and persons working on the project, including any subcontractors
 - c. The budget for the project; and
 - d. A written narrative summary of the project and its outcome including an outline of the methodology used (as compared with that initially proposed), evaluation of the project results, and a summary of what worked and what the selected contractor would do differently the next time the selected contractor undertakes a project of this nature. Two copies of the final summary report shall be submitted to the Authority that includes 1) one printed copy and 2) one digital version of the report in Microsoft Word .doc or .docx.

17. **Federal Credits and Disclaimers.** Include in the Introduction of the final report and in each written, audio, visual, or other material, including public announcements and news releases produced through this Agreement, a credit that reads verbatim as follows:

The activity that is the subject of this project has been financed in part with Federal funds from the National Park Service, U.S. Department of the Interior, through the Michigan State Housing Development Authority. However, the contents and opinions herein do not necessarily reflect the views or policies of the Department of the Interior or the Michigan State Housing Development Authority, nor does the mention of trade names or commercial products herein constitute endorsement or recommendation by the Department of the Interior or the Michigan State Housing Development Authority.

18. **Financial Assistance Credit and Disclaimers.** The selected contractor and its subcontractors shall also print in each written, audio, visual, or other material

(including any public service announcement or news release) produced through this Agreement, a notice as follows:

This program receives Federal financial assistance for identification and protection of historic properties. Under Title VI of the Civil Rights Acts of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, as amended, the U.S. Department of the Interior prohibits discrimination on the basis of race, color, national origin, disability, or age in its federally assisted programs. If awarded a contract, the Bidder agrees to:

1. Indemnify, defend and hold harmless the Authority, its Board, officers, employees and agents, from and against all losses, liabilities, penalties, fines, damages and claims (including taxes), and all related costs and expenses (including reasonable attorneys' fees and disbursements and costs of investigation, litigation, settlement, judgments, interest and penalties), arising from or in connection with any of the following:
 - a. any claim, demand, action, citation or legal proceeding against the Authority, its employees and agents arising out of or resulting from (1) the services provided ("Services") or (2) performance of the Services, duties, responsibilities, actions or omissions of the Bidder or any of its subcontractors under an awarded contract.
 - b. any claim, demand, action, citation or legal proceeding against the Authority, its employees and agents arising out of or resulting from a breach by the Bidder of any representation or warranty made by the Bidder in an awarded contract.
 - c. any claim, demand, action, citation or legal proceeding against the Authority, its employees and agents arising out of or related to occurrences that the Bidder is required to insure against as provided for in an awarded contract.
 - d. any claim, demand, action, citation or legal proceeding against the Authority, its employees and agents arising out of or resulting from the death or bodily injury of any person, or the damage, loss or destruction of any real or tangible personal property, in connection with the performance of services by the Bidder, by any of its subcontractors, by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable; provided, however, that this indemnification obligation shall not apply to the extent, if any, that such death, bodily injury or property damage is caused solely by the negligence or reckless or intentional wrongful conduct of the Authority.
 - e. any claim, demand, action, citation or legal proceeding against the Authority, its employees and agents which results from an act or omission of the Bidder or any of its subcontractors in its or their capacity as an employer of a person.
 - f. any action or proceeding threatened or brought against the Authority to the extent that such action or proceeding is based on a claim that any piece of equipment, software, commodity or service supplied by the Bidder or its subcontractors, or the operation of such equipment, software, commodity or service, or the use or reproduction of any documentation provided with

such equipment, software, commodity or service infringes any United States or foreign patent, copyright, trade secret or other proprietary right of any person or entity, which right is enforceable under the laws of the United States.

F. Bidder's Insurance Coverage. The Bidder must maintain and provide evidence, satisfactory to the Authority, of the following minimum insurance coverage:

1. General Liability Insurance for \$1,000,000 with the Authority shown as additional insured;
2. Errors and Omissions Insurance for \$1,000,000 for each occurrence and \$1,000,000 annual aggregate;
3. Worker's Compensation Insurance (if required under state law). Any citing of a policy of insurance must include a listing of the States where that policy's coverage is applicable.
4. If required by the Authority, Cyber Security Insurance for \$1,000,000.

G. Project Personnel. Bids must acknowledge and identify project personnel who will be performing services pursuant to an awarded contract and (a) sign the contract on behalf of the selected contractor and/or (b) are listed in the form attached and incorporated into this RFP as Exhibit D.

II. Notifications to Bidders

A. Questions Regarding RFP. Questions raised by Bidders concerning the RFP must be submitted in writing via either email or fax.

- To ensure a fair and impartial process, the Authority's Procurement Office will only address those questions concerning the RFP submitted in writing via email or fax.
- Phone calls involving the RFP or related questions will not be accepted.
- Firms submitting bids shall not contact any Board members or Authority staff.
- Submit questions using the subject line ***NRHP Flint, Michigan*** to the attention of:

**Michigan State Housing Development Authority
c/o Procurement Office
735 E. Michigan Avenue
Lansing, Michigan 48912**

**E-mail: MSHDA-Procurement@michigan.gov
Fax: (517) 335-0125**

- Address all questions regarding the RFP to the Authority's Procurement Office.
- Questions must be received in writing by ***November 13, 2017 4:00:00***

PM EST

- Responses to properly submitted questions will be posted by **November 15, 2017 4:00:00 PM EST.**
- The Authority will hold no other question sessions or bidder's conferences.
- All questions and answers related to this RFP will be supplied to Bidders providing the Procurement Office with notification of intent to submit a proposal.

B. Revisions to RFP. If, prior to the proposal deadline, the Authority deems it necessary to provide additional clarifying information, or to revise any part of the RFP, supplements or revisions will be provided to all Bidders who have indicated they will submit a proposal. Proposals will then be evaluated based on the terms and conditions of the RFP, any supplements or revisions to the RFP, and the answers to any written questions.

C. Michigan Freedom of Information Act. All documents submitted to the Authority are subject to the Michigan Freedom of Information Act ("FOIA"). In the event a request for submitted documents is made to the Authority, the Authority's FOIA Coordinator will redact or withhold information and/or documents that are exempt from disclosure under FOIA. See *MCL 15.243 et seq.* Please note that any requests by non-MSHDA personnel to review proposals will be denied until the deadline for submission of the bids has expired. See *MCL 15.243(1)(i).*

Please submit FOIA requests to the Authority as follows:

**MSHDA FOIA Coordinator
c/o Legal Affairs
735 E. Michigan Avenue
Lansing, MI 48912**

D. Payments to Pensioned Retirees. 2007 PA 95, MCL 38.68c requires retirees of the State Employees Retirement System ("Pensioned Retirees") who become employed by the State either directly or indirectly through a contractual arrangement with another party on or after October 1, 2007 to forfeit their respective state pensions for the duration of their reemployment. **Accordingly, any pensioned retiree who provides or renders services pursuant to the contract for which bids will be made under this RFP shall be required to forfeit his or her pension during the term of the contract.**

Proposals must acknowledge and confirm whether pensioned retirees will render services under the contract being sought through this RFP. If the Bidder intends to use a pensioned retiree, the Bidder must submit written confirmation from the pensioned retiree that he or she agrees to forfeit his or her pension during the term of the contract, if awarded. If awarded a contract, the Bidder must submit a copy of the pensioned retiree's directions to the State of Michigan's Office of Retirement Services ("ORS") to withhold the retiree's pension payments until the end of the contract term by having the pensioned retiree complete a Retiree Rehire Certificate. A copy of the Retiree Rehire Certificate will be required to be submitted prior to executing an awarded contract.

- E. Contract Award Approvals.** Prior to executing an awarded contract, the Authority must seek and obtain Michigan Civil Service approval. The required forms will be submitted to Civil Service prior to the Authority's Board approval.

Contracts that equal or exceed \$45,000 must be approved by the Authority's Board. Thereafter, an awarded contract will be forwarded to the selected Bidder with instructions to review, sign, and return two "originals". Upon receiving the signed "originals", the Authority's Procurement Office will submit the signed "originals" to a duly authorized signatory for final execution on behalf of the Authority. One fully executed "original" will then be returned to the selected contractor.

- F. Applicable Laws.** The selected contractor will be required to comply with all Michigan and federal laws, as well as acquire any permits or permission-related documents to provide services being sought.

- G. Submissions Subsequent to Award.** As part of an awarded contract, the selected contractor will be required to review and provide and/or acknowledge additional documents including but not limited to:

- Certifications Regarding Debarment, Suspension and Other Responsibility Matters form.
- W-9 Request for Taxpayer Identification Number and Certification.
- Retiree Rehire Certificate.

- H.** *"The activity that is the subject of this project has been financed in part with Federal funds from the National Park Service, U.S. Department of the Interior, through the Michigan State Housing Development Authority. However, the contents and opinions herein do not necessarily reflect the views or policies of the Department of the Interior or the Michigan State Housing Development Authority, nor does the mention of trade names or commercial products herein constitute endorsement or recommendation by the Department of the Interior or the Michigan State Housing Development Authority."*

The NPS shall have a royalty-free right to republish any materials produced under this grant. PROPOSAL SUBMISSION

I. Submitting Proposal

- Bidders wishing to submit proposals must submit an electronic copy of a proposal to provide the services described in the Scope of Work.
- Submitted proposals must respond to and address the tasks, activities, listed requirements and questions outlined in the Scope of Work of this RFP and its attached and incorporated exhibits.
- The due date for the Authority's receipt of the proposals responding to this RFP is ***November 27, 2017 at 4 p.m. Eastern Standard Time.***
- The Authority shall not be liable for any costs that a Bidder may incur while preparing a proposal.
- The Authority shall not be liable for any costs that a Bidder may incur prior to the complete execution of a contract.
- If the Authority enters into a contract, the Authority's consideration (payment) shall be limited to the term of the contract.

II. Proposal Delivery

- A. Due Date.** Proposals responding to this RFP are due **November 27, 2017 at 4 p.m.**
- B. Originals and Copies.** Submit one proposal in electronic format via email or fax outlining how the Bidder will provide the services described in the Scope of Work.
- C. Delivery of Proposal.** Direct all deliveries to:
- MSHDA-Procurement@michigan.gov**
- D. Commencement of Work.** Project work shall not commence until execution of a project contract. The selected contractor shall not proceed with performance of the project work or incurring of project costs until both parties have signed the project contract to show acceptance of its terms and conditions.
- E. Project Control.** The selected contractor will carry out this project under the direction and control of the Authority and its designated Contract Administrator.
- F. Quarterly Progress Reports.** The selected contractor may be required to submit brief written quarterly summaries of progress outlining the work accomplished during the reporting period. Problems, real and anticipated, or any significant deviation from the agreed-upon work plan should be brought to the attention of the Contract Administrator. A financial report of expenditures to date including any changes to approved budget or approved work schedule must be submitted as part of the report.

If required, these reports will be due to the Authority each January 15, April 15, July 15 and September 15 during the project period.

G. Final Project Summary Report. The selected contractor may be required to submit a narrative summary of the project and its outcome. This should include an outline of the methodology used, evaluation of the project results, and a summary of what worked and what the selected contractor would do differently the next time the contractor undertakes a project of this nature. If required, one printed copy of the final summary report and an electronic version of the report in shall be submitted to the Authority.

III. Selection of Proposal

The selection of a proposal shall be subject to a review by the Authority's Legal Affairs Division concerning conflicts of interest and/or participation in Authority programs by the Bidder, its officers, employees, subcontractors or independent contractors.

A. Selection Criteria. The Authority will select the proposal based on Selection Criteria listed below:

Proposals receiving **70** or more technical evaluation points will have its pricing evaluated and considered for award.

The State may utilize all proposals, including pricing information, without regard to a proposal's technical score to determine fair market value, when comparing and negotiating prices. The State is not obligated to accept the lowest price proposal. The price proposal evaluation includes consideration of a qualified service-disabled veteran preference. Information related to qualified service-disabled veteran preference is located at <http://michigan.gov/micontractconnect/0,4541,7-225-48677-123519--,00.html>.

B. Proposal Selection. The Authority's review may take up to four weeks after the closing date for submitting proposals. The Authority anticipates notifying the selected

contractor on or about **December 21, 2017** via e-mail and posting on the Authority's website; however, the selection and final notice of award will be contingent on approval by the Michigan Civil Service Commission and the Authority's Board.

C. Cancellation of Selected Proposal. The selection of a proposal by the Authority may be cancelled at any time prior to the complete execution of a contract. If the Authority cancels its selection of a proposal, the Authority may repost this or a similar RFP and re-seek proposals. Reasons for canceling the selected proposal may include, but are not limited to, the following:

1. Refusal of Department of Civil Service to process required forms.
2. Refusal of duly authorized Authority signatory to execute the contract.

4. **Security of Data.** If the services to be rendered require the collection and/or use of confidential and/or personal data, confirm the following:
 - a. Has your organization established and used a policy to address the security of paper and electronic data? (***Please do not submit a copy of your security policy.***)
 - b. Does your policy address the removal of confidential and/or personal data from storage media? (For example, does your firm's policy include the removal or "wiping" of data from hard drives when a computer is no longer used?)

5. **Copyrighted Materials.** Acknowledge and/or confirm the following:
 - a. You agree that any and all products produced as a result of this contract shall be the property of the Authority.
 - b. You agree that the Authority shall (a) hold a copyright on all materials or products produced under the contract and (b) be allowed to file for a copyright with the United States Copyright Office.
 - c. You acknowledge that submitted documents will not contain in part or whole copyrighted materials.

E. Price Proposal & Budget

1. **Price Proposal.** All rates quoted in proposals submitted in response to this RFP will be a firm fixed price for the duration of the contract. No price changes will be permitted. *(Note that proposals should reflect State of Michigan per diem rates in effect at the time of proposal submission. State per diem rates are subject to change during the term of an awarded contract. They can be found at [http://www.michigan.gov/documents/dtmb/Travel_Rates_FY17_January 2017_547101_7.pdf](http://www.michigan.gov/documents/dtmb/Travel_Rates_FY17_January_2017_547101_7.pdf)).*
2. **Budget.** Include in the proposal a line item budget identifying all expenses related to the work to be performed. By submitting the bid, the Bidder acknowledges that it bears the risk that its expenses may exceed the proposed amount. The budget should be in the format below and include all applicable items, and at a minimum, must be broken down to show the following:
 - a. Staff costs broken down by each individual staff person. Include # of hours, per hour rate, and work assignment.
 - b. Lodging costs (based on State of Michigan per diem rates). Description should include when and why lodging is needed.
 - c. Meal costs (based on State of Michigan per diem rates). Description should include when and why meals are needed.
 - d. Transportation costs (standard State of Michigan mileage rate is \$0.36 per mile). Description should include type and reason for transportation cost.
 - e. Costs of supplies and materials. Description should include items to be purchased and reason for purchase.
 - f. Other direct costs. Description should include items to be purchased and reason for purchase.
 - g. Total budget.
 - h. Budget Format:

- F. Schedule/Timeline.** Bids must include a schedule for delivery of services set forth in the Scope of Work and cite the proposed deadlines for completing the tasks within the Scope of Work. All work must be completed within **24 months** from contract signing.

Include a timetable indicating how the project will be scheduled. The timetable should include: (1) any proposed meetings; (2) dates for draft submittals; (3) review times (allow 4 weeks for Authority review) and completion dates for deliverables; (4) quarterly reports (these will be due July 15, Sept. 15, Jan. 15, and April 15 each year during the project reporting period); and (5) final Project Completion Report. A proposed schedule/timeline is listed below:

<i>Completed Service/Project Components</i>	<i>Estimated Completion Dates</i>
(Using Scope of Work, Bidder should insert tasks and activities to be completed)	(Bidder should insert estimated deadlines)

G. Disclosure of Participation and Interests in Authority Programs.

- 1. Disclosure of Interests in Authority Programs.** Authority programs include, but are not limited to, the Housing Voucher Program, any loans where the Authority is the lender, and any grants made by or administered by the Authority.
- 2. Submission of Conflicts of Interests.** Submit a list of all interests that the Bidder, its officers, board members, and employees respectively have in Authority programs. If the Bidder intends to use independent contractors or subcontractors to render services, include the interests that independent contractors or subcontractors and their officers, board members, and employees respectively have in Authority programs.
- 3. Potential Conflicts of Interests.** Indicate in the proposal whether the Bidder is under contract and/or has been awarded a grant from the Authority. Please confirm whether any potential conflict of interest will exist if the Authority enters into a contract with the Bidder.

Potential conflicts of interest may arise from the Bidder’s officers, employees, members, board members, independent contractors or subcontractors the Bidder will use to render services if the firm enters into a contract with the Authority.

If the Bidder is currently under contract or is receiving a grant from the Authority, indicate if the Bidder or project personnel holds a position with another entity that may be under contract or receiving a grant from the Authority.

Include an organizational chart from each entity under contract or awarded a grant from the Authority in which the Bidder or project personnel holds a position. Include each employee's position and title within the entity. In addition, indicate whether the Bidder or the project personnel is responsible for making financial decisions in his/her capacity and what measures have been implemented to ensure that funds are not comingled.

THE STATE RESERVES THE RIGHT TO DEEM A BID NON-RESPONSIVE FOR FAILURE TO DISCLOSE A POTENTIAL CONFLICT OF INTEREST.

4. Family Members Who Work for Authority. Please list the names of the Bidder's officers, board members, and employees who have family members who work for the Authority and the names of the family members who work for the Authority.

H. Signature Clause to be Signed by Bidder's Authorized Signatory. Insert into the proposal and have the authorized signatory sign the following signature clause at the end of the proposal:

I confirm that I have submitted this proposal on behalf of _____ in response to the Michigan State Housing Development Authority's Request for Proposals for an Historic Resource Survey Of Modern Resources (1940-1970) In Flint, Michigan And Complete A National Register Of Historic Places Nomination For The Flint Civic Center.

I also confirm that I have read and understand the Authority's indemnification, copyright, data security and insurance requirements.
