Public Notice of Change of Use Neighborhood Stabilization Program 2 (NSP2)

The Michigan State Housing Development Authority (MSHDA), is proposing an allowance in the Detroit Land Bank Authority (DLBA) Disposition Plan for NSP2. The purpose of this notice is to provide an opportunity for public comment on the changes in the policies and procedures as they relate to the DLBA disposition plan. Specifically, the disposition changes allow for the DLBA to change the use of the disposed property so that they may be sold without meeting a NSP national objective. MSHDA has reviewed the request from the DLBA and determined that this change in disposition strategy will best meet the needs of Detroit citizens. The following NSP2 assisted addresses are anticipated to utilize the modified disposition plan process outlined above and thereby reimburse the NSP2 program the current fair market value prior to property transfer.

- 5511 Bishop, Detroit
- 1197 Longfellow, Detroit
- 1181 Atkinson, Detroit
- 2499 Longfellow, Detroit
- 1635 Chicago, Detroit

- 1613 Edison, Detroit
- 2525 W. Boston Blvd. , Detroit
