Subject: QAP feedback

I tried finding the language for points for HUD 811 usage and couldn't find it.

As a member of Michigan's Disability Housing Workgroup. . And... Michigan's Nursing Facility Transition team, I strongly applaud all alignment with both The HUD 811 AND 202 supportive housing rental subsidies.

It will be VITAL for Michigan to participate fully in these programs now and in the future to properly serve our disabled AND elderly populations.
