Our Guiding Principles

Provide opportunities for adults in custody to learn marketable skills and gain from experience.

Instill and promote a positive work ethic.

Contribute to the economic self-sufficiency of working adults in custody and their families.

Actively explore joint ventures with private vendors, manufacturers and schools.

Constantly seek to extend our capabilities and our customer base.

Demonstrate excellence in everything we do, from training our employees to providing our goods and services.

Persevere to get the job done and make things better for our customers, co-workers and staff.

Be truthful in all our endeavors.

Show respect to all our stakeholders.

We guarantee attention will be drawn to your school with the large variety of graphically diverse and colorful School Booster Plates that highlight your school or organization logo. Over 50% profit can be earned on each

We also make U.S.A. Flags of the highest quality when compared to the industry standard. These flags are 100% Solar Max Nylon, all-weather flags to represent our great country in front of your school or your organization!!

Working together we can make Michigan an example for the nation of relevant and effective programs that are also capable of supporting the schools in our communities without taking from the private sector.

MSI offers high quality and competitively priced products and services generated by adults in custody who gain work experience, training and valuable soft skills as they prepare for successful re-entry into society. It would be an honor to assist in helping fundraise for schools!

MSI's Sign Shop is capable of making so many types of banners and signs for school functions and sporting events. We can even restore signs that everyone knows and loves to keep up morale and nostalgia in your hometown!!

Our Print Shop is capable of printing a wide variety of items that can be used anywhere. Are your kids fundraising? Let us print what they need to work!

MSI's Garment Factories are diverse in what they can make. Let's discuss YOUR ideas and make something that inspires!
