

2017 Domestic Violence Information

Definition: "Domestic Violence" is the occurrence of any of the following acts by a person that is not an act of self-defense: causing or attempting to cause physical or mental harm to a family or household member; placing a family or household member in fear of physical or mental harm; causing or attempting to cause a family or household member to engage in involuntary sexual activity by force, threat of force, or duress; and/or engaging in activity toward a family or household member that would cause a reasonable person to feel terrorized, frightened, intimidated, harassed, or molested. **Domestic Violence incidents are determined solely on the Victim to Offender relationship and not by the type of crime committed against the victim.** This report is by hierarchy offense file class for victims of multiple offenses.

Note: In 2013, the Michigan Incident Crime Reporting Unit implemented the Domestic Violence indicator field to improve the reporting accuracy of domestic violence victims. Not all records management vendors complied with this requirement. Therefore, these statistics represent the incidents where the Victim to Offender relationship are one of the following: Spouse, Common-Law Spouse, Parent, Sibling, Child, Grandparent, Grandchild, In-law, Step-parent, Step-child, Step-sibling, Other Family Member, Child in Common, Dating (Boyfriend/Girlfriend), Child of Boyfriend/Girlfriend, Homosexual Relationship, Ex-spouse, Former Dating (Boyfriend/Girlfriend), Resident (Boyfriend/Girlfriend), and Former Resident (Boyfriend/Girlfriend).

Offender Information	
Age Of Offender:	
01-09	211
10-19	9,989
20-29	29,003
